HAPPY VALENTINE'S DAY - BREAKFAST IN BED

Photographs by ChiChi Ubiña

Styling: Robin Kencel/Ellsworth Ford Associates and Carlene Safdie

Enjoy a luxurious, cozy Valentine's morning with your sweetheart. No one does romance like Patricia Gourlay - between her beautiful chemise with hand beading by **Dawn Hutchins** and the adorable kitten heels. With the soft sheets by **Lynnens**, along with a beautiful boudoir pillow from **Home**, you have set the scene. Chef JP at **Versailles** can whip up your favorite confections. Terry at **Horseneck** will dip into her special stash for the champagne. And don't forget that gorgeous Schlumberger piece from Tiffany's she's had her eye on! Add a petite burst of color from **Greenwich Orchids**, it's a great way to start the week!
